## IMPORT EXPORT NOW!

Now you can learn what it takes to be self-employed in import or export (or both) of goods or services with this step-by-step hands-on nine week seminar delivered over the internet. This course is appropriate for people with zero business background, as well as established businesses looking for new trade. For over twelve years the course is highly rated for content, delivery and personalization.

Learn how to develop your product or service, find the best suppliers, best customers, work with banks, currency issues, insurance companies, government agencies and other trade entities. You will be taken through licensing and permits, setting yourself up for properly conducting trade worldwide at the small business level, as well as such topics as intellectual property,

The entire course may be taken at your pace, with plenty of one-on-one email contact with the instructor. Optional weekly live sessions online are run during the course. After the formal nine weeks course, you may join a listserv of ex-students, so access to the instructor and peers never ends.
